

SERIES 5700 • *Ultima* Vinyl Single Hung Window

06/06

PRODUCT INFORMATION SHEET

**Series 5700 Nail-On Frame • Series 5790 Retro-Fit Frame
Series 5750 Block Frame • Series 5755 Block Frame / Sloped Sill**

FEATURES

- Available in White or Almond color.
- Artisan Sculpted and uniquely detailed exterior perimeter frame.
- Fusion welded sash and frame corners.
- Heavy-duty 3-1/4" frame depth.
- 3/4" Insulated Glass with Intercept™ Warm Edge Technology.
- Thermal ratings as tested with **CLIMATE SHIELD™** High Performance Low-E glazing: U-Value = .33 and SHCG = .29 (See *Thermal & Optical Ratings* page for more info).
- High impact resistant vinyl compound with multichambering engineering for structural strength.
- 1-1/8" fin is located 1" from the exterior surface of frame, allowing for stucco and siding.
- Even sight lines are a standard feature of Ultima Vinyl Windows.
- Vent panels tilt in for easy cleaning and are removable without tools.
- Meet or exceed AAMA/NWWDA 101/I.S.2-97 specifications for LC-25 rating, (4/0 x 6/0 SH).
- Sash locks feature a modern low profile look with concealed keeper.
- Locks are designed to fasten into the aluminum extrusion reinforcement for maximum strength and added security.
- Continuous integral pulls for easy access and operation.
- Meeting rail and interlock are reinforced with aluminum extrusions for added structural strength and rigidity.
- Fin seal weather stripping on all panels eliminates excessive air infiltration.
- Ultima Vinyl Windows meet and surpass California Model Building Security Ordinance for forced entry resistance.
- Integral retro-fit fins are engineered with a 1-3/4" hollow honeycomb design.
- Spiral balance system is field adjustable.
- Windows may be factory stacked or mulled in a variety of combinations.
- Painted aluminum window screens have 18 x16 fiberglass mesh and are easily removed for cleaning.
- Net frame sizes for Southern California:
 - Nail-on frame - call out minus 3/8" width and 3/8" height
 - Block frame - call out minus 1/8" width and 3/8" height
 - (Sloped sill windows are measured from inside of window.)
